

***Roadside Shrine I: Cone Ridge*, 2000**

Houston, Texas

Materials: Vinyl-coated polyester affixed to the interstate highway I-45.

Size: 57' x 9' x 17'

Commissioned by the Buffalo Bayou Art Park

Description:

This sculpture represents the first time the Texas Department of Transportation allowed an art project of any kind to touch its facilities. The sculpture itself was temporary and clamped to the underside of an interstate highway overpass.
